Hype chart

DJmag's Latest Chart

April 15th - 28th

01 Liquid People presents Heidi Levo [MN2S]

Inside My Soul

Smooth Rhodes grooves and 'Precious Love' type strings. A splendid Morten Trust dub too. No. 1 with ease.

02 Those Pesky Kids [White]

In My Mind

High pressure front approaching from the Northern borders.

03 Blaze feat Barbara Tucker [Defected]

Most Precious Love

Dennis Ferrer mixes are fetching a pretty penny then Martin Solveig comes along with an offer of a very different nature.

04 The Freemasons [Loaded]

Love On My Mind

King Unique's filtered retro disco feel with a pretty catchy string sequence. Love on the mind, ain't that the truth. Strewth.

05 Emjay [Clubsole Trax]

Hola Pappy

Electro funk houser that lifts the Turntable Orchestra up to a Nu Yorican vibe. Ola to the retro selecto from Barabas.

06 Copyright [Defected]

Time

Top three selection for Dave Lee this week. Decent dub too.

07 Unknown [White]

Information

For the full Top 70 and hundreds of single reviews, check out the current issue of DJmag.

The Hype Chart is compiled fortnightly - alongside the Club Chart and the Break & Beats Chart - exclusively for DJmag by Gordon Knott. Email him your chart returns regularly at: djchart@mistral.co.uk

If you are interested in advertising ... [click here](#)

Scattering Stars

The Sole music crew keeping it tight to their chests.

08 Ian Carey [Fluentia]

The Power

Still very much the star in ascendant - no tomfoolery or trickery employed here. Guitar-backed buzzsaw of a bassline with a preaching vocal.

09 Sir Piers & Los Amigos [Curious]
Invisibles feat Shaun
Escoffrey

She's Gone Away

The self-appointed member of the upper chamber sounding more and more like MAW as we await the Hardsoul remix.

10 Anthony Acid feat Ruby [CR2]

Sweat

Soul Avengers get the fresh towels ready.

11 Sounds of Reyes feat [Definite
Linda Newman Groove]

Everlasting

The Definite Groove's 'Slice Of Life' dub is hard to resist if you're looking for the vocal alternative.

12 Inaya Day [Adhesive]

Nasty Girl

Raul Ricon shows he's in touch with his feminine side. The feminine side of his crowd, that is...

13 Slam feat Billie Ray [Soma]
Martin

Bright Lights Fading

The unfeasibly large remixes from Death In Vegas, Alex Smoke & the Slammers themselves pull us into the vortex. Falling under your spell... willingly.

14 Black Rock feat Debra [Positiva]
Andrew

Blue Water

Chugging peak-time poppy-edged female arouser. We Deliver, Lovefreekz and Ernesto vs Bastien close the hatches to keep this situation watertight.

15 HCCR [Bambossa]

Warped

Smells like the spirit of Romero at play again.

16 Mylo [Breastfed]

In My Arms

This son of Skye calls on Sharam Jey, Linus Loves and King Unique to offer comfort of a tactile nature.

17 Hooligan [Sondos]

Bad Boy Rockin'

Awesome '80s reminiscent indie pop with a beat and bass heavy attitude. Solid atmospheric attention from Harry Romero.

18 Nastydirtysixmusic [Elemental Group]

Nasty Dirty Sex Music

The Hughes and Spier remix takes apart the Smokin Jo and Tim Sheridan partnership.

19 Mena Keys feat Frankie Estevez & Tabia [Jellybean Soul]

Forever & A Day

More Latino licks and sun shining from every orifice - flutetastic 2.

20 Sousearcher [Soulfuric]

Feeling Love

Ian Carey feeling it like there's no tomorrow. Live for now, son.

21 The Bodyrockers [Manifesto]

I Like The Way

From the Colorsound producers, a guitar riff that reminds us of M-m-m-my Sharona. King Unique flexes his potentials.

22 Trina Bousard [Restricted Access]

Joy

Produced by NYC's Timmy Regisford - the must-have soulful track of the moment. Bliss!

23 Nu Rhythmix [Swing City]

Babylon (Into A Groove)

Shola Phillips vocals the 'Let the Music Play'-esque version but ignore the slammin' musical production of the instrumental at your own risk.

24 Dab Hands [White]

Supergood

Mark Wilkinson's nifty nightie-lifter could be a commercial contenderista.

25 We Deliver feat Erire [Nocturnal Groove]

Breathe Again

The Loft classic makes its umpteenth re-appearance courtesy of the Shapeshifters respray.
